

10:08am

Donald Trump Suggests that immigrants should be stopped from entering the country because they are causing economic problems and causing the death of people who are trying to cross the border of Mexico and USA. Delegates such as Kamala Harris do not agree with it and it try to search strategies for they to enter.

10:36am

Desantis suggests that the border should be reforced in texas since its where most immigrants enter. Trump prefers that all the border of USA, not only Texas should be reforced, Nikky agree with Desantis idea, Elon Musk also agree and ask for monetary sources to do it. Instead delegates such as Maria Wilson suggest to give an opportunity to the migrants to improve their lifes, this being supported by delegates such as Alexandra Ocasio argumenting immigrants come with no bad intentions. And as an extra intervention Cornel West said illegal immigrants should be arrested, and delegate Trump agreed with it.

11:00am

Greg arbott, Nikky and Garry wilson support opening doors to immigrants since they help very much in the Hard work of the country and they could be affected in the economy, so they shouldn't be kicked. Trump strongly disagree with it since based on statistics they have negative impact and are producing economic hardships.

11:33pm

Hakeem and Marianne said that they want to help immigrants because they are good people searching for a opportunity, also stop using Trumps methods that are affecting families and mostly children to stop migrants since they don't represent the countries values. Bernie Sanders, Newsom and Kamala Harris support this idea, since they extremely disagree that children and families suffer for this problem. Trump does not agree with the, maintaining his posture.

11:48pm

Kennedy, Krysten and Cornel west make a presentation supporting the entering of migrants to the country, saying that it is an opportunity for them to improve their lifes with good intentions. Trump questioned them and entering a discussion, to verify that this policies they proposed will work and will not cause damages in the country
