

## 9:15am

The committee started with the opening speeches, delegations were extremely concerned about the rights of athletes during the 2024 Paris Olympic Games, athletes argue about insufficient conditions for athletes wellbeing.

## 10:40am

Delegates started with an unmoderate caucus about the different concerns of the delegations involved in the Olympic comitee. Leading the debate the delegation of Afghanistan proposed a food record for athletes to have good food resources during the Olympic Games. The delegation of Saudi Arabia recognizes that all athletes regarding gender or religion should receive medical attention.

## 11:00am

Continuing with the unmoderate caucus, delegations such as Canada, United States and Italy started proposing different solutions to ensure the rights of athletes.

## 11:20 Am

The different solutions proposed included that athletes handle a record with the organization to communicate their concerns, this was proposed by France. Then Canada supported security contracts for athletes to avoid any possible abuse of athletes. Finally, the United States believes that countries should work together to ensure security.

## 12:40Pm

During the lobby time the delegations of Japan, Canada, Iraq and Qatar made a presentation of their solutions for the rights of athletes. Some of these solutions are to deny the participation of Ukrainian and Russian athletes on the Olympic games; also, they proposed to allow transgender people to participate on their gender category.
